THE BMW X6. ORIGINAL BMW ACCESSORIES.

JOY HAS BOUNDLESS POSSIBILITIES.

EXPERIENCE THE POWER OF INNOVATIVE IDEAS.

Original BMW accessories for the BMW X6 combine original thinking and stylish design with a high degree of practicality. Over the following pages, you will find out more about some of the exterior and interior accessories, communication and information systems, and transportation and luggage solutions available. Every Original BMW accessories product sets new standards, offering a combination of striking styling, unrivalled performance and maximum flexibility.

Original BMW exterior accessories will captivate you from the moment you set eyes on them. High-quality alloy wheels, for example, further emphasize the striking design of the BMW X6. And their beauty is not merely skin-deep: all alloy wheels undergo rigorous testing to ensure both design and materials meet the highest quality standards. That way, you can be confident that your BMW will be as good to drive as it is to look at.

1 Star spoke 128

Cast alloy wheel, 21-inch size.

2 Double spoke 215 in black

Cast alloy wheel, 21-inch size.

3 Double spoke 275

Cast alloy wheel, 21-inch size.

4 V-spoke 257

Cast alloy wheel, 19-inch size.

5 Roof railing in silver

A striking detail in the roof area.

5 Double spoke 215 in ferric grey

Cast alloy wheel, 21-inch size.

Original BMW interior accessories provide a huge array of possibilities for configuring the passenger compartment of your BMW X6 to suit your personal preferences. From fine wood trims to illuminated door entry strips, everything is designed to work harmoniously together. The designs use carefully selected materials and are executed to the highest standards of workmanship. The result is an interior for your BMW X6 that will beguile you all over again every time you climb inside.

1 Interior trim strips in dark variegated bamboo

This exclusive interior option includes trim strips for the dashboard, centre console and doors.

1 Decorative trim in dark variegated bamboo for leather-covered sport steering wheel

An eye-catching detail for the interior of the BMW X6.

1 Decorative strip in dark variegated bamboo for gear selector lever

Brings an extra touch of class to the interior.

1 Interior trim strips in variegated ash

This exclusive fine wood interior option includes trim strips for the dashboard, centre console and doors.

1 Decorative trim in variegated ash for leather-covered sport steering wheel

A sporty detail that brings a dash of elegance to the interior.

1 Decorative strip in variegated ash for gear selector lever

Emphasizes the individuality of the BMW X6.

2 Sun screen

Quick and easy to attach to the rear side windows and rear windscreen. When not in use, it can be stored in the bag supplied.

3 Rubber floor mats with textile inlay

Dirt-repellent, water-resistant and perfectly fitted. Available in anthracite and beige.

3+4 Stainless steel pedals

A stylish detail in the footwell.

3+4 Door entry strips in stainless steel

For front and rear. Available in illuminated (Fig. 3) and non-illuminated (Fig. 4) versions. With BMW lettering.

4 Cross-Country floor mats

Dirt-repellent, hard-wearing and perfectly fitted. Available in anthracite and beige.

Original BMW communication and information accessories use technology that represents the absolute state of the art. Everything from the camera systems to the iPod interface and BMW Advanced DVD system is specifically designed for the BMW X6, and highly intuitive to use. So every journey is as relaxing or exciting as you want it to be.

1 BMW Advanced DVD system

Comprises two 7-inch colour monitors built into the front seat backs, and a multimedia changer in the centre console for playing DVDs and audio CDs (incl. MP3 format) and viewing digital photos. AV sockets also allow the connection of devices such as games consoles or video cameras. The tilting monitors help to provide a brilliant picture, are nonreflective from every angle, and can also be operated separately. The system comes with two sets of cordless stereo headphones and two infrared remote controls. Dependent on the other equipment specified, audio can also be output through the BMW radio loudspeakers, with video playback on the control display. The DVB-T set-top box (available separately) also allows digital TV programmes to be watched on the monitors of the BMW Advanced DVD system.

2 iPod interface

Enjoy all your favourite music on the road. The interface connects the iPod™ directly to your vehicle's audio system: artist, song and genre information and playlists can all be viewed on the control display, and music can be selected using the iDrive controller or the multifunction steering wheel. The iPod™ is stored securely in the glovebox, and the battery is charged during playback through the vehicle's electrical system.

3 Rear View Camera

Ensures maximum safety when reversing. When reverse gear is selected, a 131-degree wide-angle camera in the luggage compartment lid starts filming the area behind the vehicle. The feed from the camera is shown on the control display.

The wide range of Original BMW transportation and luggage accessories is guaranteed to impress. Roof rack systems, rear-mounted carriers and luggage compartment accessories alike all complement your BMW X6 perfectly in terms of both form and function, and combine versatility with user-friendliness. The result is flexibility without limits.

1 Rear-mounted carrier, lockable

Makes possible the transport of two bicycles. The rear-mounted carrier can quickly and easily be attached to the screw points of the tow eyelets, and folds neatly out of the way when you want to open the tailgate. When not in use, it folds up for storage in the luggage compartment. It features special anti-theft screws and locks.

1 Luggage compartment tie-down straps

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

2 Luggage compartment tray

Shatterproof, acid-proof and impact-resistant. The tray fits precisely into the luggage compartment floor.

3 Anti-slip mat

Precisely fitted to the available space, the mat stops objects from sliding around.

4 Reversible luggage compartment mat

Can be used either way up. Features one velour and one anti-slip plastic surface.

5 Luggage compartment restraint belts

The restraint belts are simple to insert into the lashing rails, can be moved lengthways, and serve to secure light items of luggage.

6 BMW roof box 460

Capacity: approx. 460 l. L x W x H: 230 x 82 x 37 cm. Easy to load, thanks to an innovative system that opens from both sides. Features anti-theft triple central locking on both sides for additional peace of mind. Includes ski rests. Available in silver or black.

6 BMW base support system, lockable

Maximum permissible roof load: 100 kg. The base support arms are made of high-strength aluminium tubing and secured to the roof railing. The BMW base support system with anti-theft locks meets the most stringent security requirements.

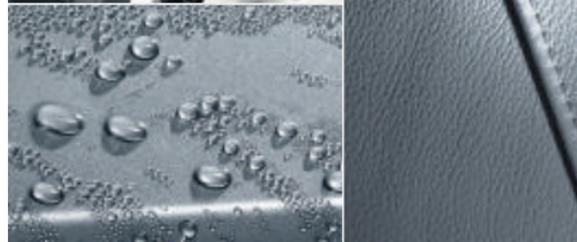

FOR SPARKLING RESULTS. ORIGINAL BMW CARE PRODUCTS.

With Original BMW Care Products, it is easy to keep your BMW looking great for longer. Use BMW hard wax with nano-technology to effectively protect your vehicle's paintwork, or the leather preserving set with UV protection to ensure your BMW stays as good as new. Other surfaces, such as glass, plastics and textiles, can also be gently yet effectively cleaned with BMW Care Products. All products are suitable for use with lots of different materials and are very easy to use.

As well as the existing selection of cleaning products, BMW now offers a new range called Natural Care. These products are sustainable and environmentally friendly in every way – they are sourced from natural raw materials, manufactured using energy-efficient processes, safe to use, and come with recyclable packaging. The new range consists of six products: car shampoo, car polish, car wax, windscreen wash concentrate, glass cleaner and interior cleaner. Natural Care products are primarily made from natural-source raw materials, such as tenside and bioalcohol from sugar beets, carnauba wax and linseed oil. Natural Care is all about combining sustainability with high product quality.

To find out more about Original BMW Care Products, please see the Accessories section of the BMW website.

- Silicone spray
- Special conservation wax
- Tar remover
- Tree resin remover
- Tyre shine
- Wet wipe insect remover gloves

JOY IS KNOWING THAT YOU ARE IN GOOD HANDS.

To ensure your BMW performs at its best every day, your BMW Service Centre does much more than just give you advice on which Original BMW Accessories to choose and offer a professional fitting service.

BMW TeleServices – your BMW automatically informs you when it's due for a trip to one of our 3,300 BMW Service Centres. The on-board Condition Based Service system tells you of any upcoming maintenance and servicing required, and BMW TeleServices* communicates this information to your BMW Service Centre. A service employee will then ring you to make an appointment. The BMW Service Centre keeps a full range of Original BMW Parts in stock – so it's able to repair any problems quickly and effectively. In short, quality and safety are at the heart of everything we do.

BMW Service Inclusive – you pay a fixed price, and depending on the package you choose, routine maintenance, wear-and-tear repairs and even out-of-warranty repairs are covered for a defined time period or mileage.

BMW Mobile Service – a breakdown service from BMW which, in the unlikely event of a breakdown, is on call any time, day or night. The BMW TeleService diagnosis* transmits all the relevant details to BMW Service headquarters. This allows a BMW Service specialist to identify the problem so that they can help you to resolve the issue yourself, send a BMW breakdown recovery vehicle to your assistance, or fix the problem remotely using the BMW TeleService help.*

For more information on BMW Service, please contact your BMW Service Centre or visit www.bmw.com/service

BMW SERVICE.

* BMW TeleServices are available in all BMW vehicles with the exception of the BMW X3. However, the optional Bluetooth mobile phone interface (option 633 or option 644) must be fitted and, on certain models, the BMW Professional radio in conjunction with the control display (BMW Business navigation system (option 606) or the Professional navigation system (option 609)) must also be fitted.
